## The Third Grade Scoop

### Mrs. Johnston's Corner

Friday, October 28th:

Dear Third Grade Parents,

Your children are becoming more mature and independent by the week. We have been working hard on becoming responsible for ourselves and our own learning, remaining focused, and following all directions in class the first time they are given.

Red Ribbon Week was this week. Your children did a wonderful job! A special congratulations to Jenicca, Tiffany, Liam T., Brett, and Max who all received Snack Shack coupons for being caught doing random acts of kindness this week. Tiffany and Brett won the Senate Awards for their continued participation in discussion during Red Ribbon Week as well!

Next week, there is a PTG meeting on Wednesday at 6:00pm. I hope you can make it. During that time, parents may sign up for conferences for the following week. You may also sign up on Thursday and Friday during the school day.

We will have our Math Chapter 2 Test on Wednesday. We will have a Religion Test on Chapter 8 and our English Chapter 4 Test this Thursday. On Friday, we will have Spelling Test #8 and our Social Studies Chapter 2 Test.

Please attend mass on Sunday with your child.

Thank you,

Mrs. Johnston
