I certify that the information given on this form is true and correct to the best of my knowledge. I understand that as a volunteer driver I must be 21 years of age or older, possess a valid driver's license, have the proper and current license and vehicle registration and have the required insurance coverage in effect on any vehicle used to transport students. I am familiar with the state law requiring children under 6 years of age and less than 60 pounds in weight be secured in approved child safety seats. It is strongly recommended that children 12 years of age and under do not sit in the front seat of cars equipped with air bags.
