

St. Mary Extended Daycare Program  
Movie Permission Slip

Dear Parent(s)/Guardians(s):

Throughout the school year we will be watching many movies that correlate with our faith, as well as for entertainment purposes. Many of these movies will be rated G and PG. With your permission, your child will be allowed to watch these children's movies throughout the year. Please sign the permission slip below so that your child/children may participate in the movie. If you have any concerns or questions, please feel free to contact me.

Thank you,

Mrs. Susana Coy  
Extension Program Director
